

2007

DRUG RECOGNITION EXPERT INSTRUCTOR SEMINAR

The California Highway Patrol will be sponsoring this 8 hour training seminar for currently certified DRE Instructors (official identification will be required). The seminar will include the latest DRE updates and featured guest speaker Dr. Barry Logan.

Dr. Logan is Director of the Forensic Laboratory Services Bureau of the Washington State Patrol, and State Toxicologist for the State of Washington, overseeing eight laboratories and a hundred and eighty staff. He has over seventy peer reviewed publications in the field of forensic toxicology, drug impaired driving, and drug analysis, and has made over two hundred presentations to professional groups. He is Board Certified by the American Board of Forensic Toxicology, and serves on their Board of Directors. He is program chair of the upcoming T2007 international conference on Toxicology, Alcohol, Drugs and Traffic Safety which will be held in Seattle in August, 2007. Dr. Logan is a Fellow of the American Academy of Forensic Sciences (AAFS), the International Council on Alcohol Drugs and Traffic Safety (ICADTS) and the Society of Forensic Toxicologists (SOFT) on whose Boards he also serves. Dr. Logan was the recipient of TIAFT's 2003 mid-career achievement award for excellence in forensic toxicology for his work in postmortem and impaired driving toxicology, and in 2006 received the McGovern Foundation Award for leadership in drug abuse prevention.
